Subject: 104(e) Response Extension

Mr. Stillwell,

This email follows up with your request for a 30 day extension to respond to EPA's 104(e) information request regarding the Smurfit Stone Mill Site in Missoula County, Montana. EPA agrees to extend the due date of M2Green's response from 30 days of receipt of the request to 60 days of receipt of the request. According to our records, the new due date would be June 18, 2013. Please feel free to contact me with any questions.

Sincerely,

Amelia Piggott
